WELCOME GUIDE

WOOHOO! YOU'RE IN.

HI THERE ACTION TAKER...

I'm Dorz Brown - your program creator and personal cheerleader!

I've worked in Digital Marketing for the past 10 years and launched my own successful Website & SEO consultancy.

Everything I share with you in this program has been tried & tested.

It's also practical and quick to implement.

Like the sound of that? Great! So let's get started...

WELCOME GUIDE

HOW TO TAKE THIS COURSE

3 Important Steps...

1. Each phase must be completed in order.
2. Refrain from jumping ahead of videos.
3. Implement as you go - you must take action.

INCREASE REVENUE & RETENTION IN YOUR WEB DESIGN BUSINESS

Why is this program important?

I want you to:

Create predictable income growth in your business.

Stop trying to do "all the things" to constantly get new clients.

Have a proven "rinse & repeat" strategy & process that works for your business time and time again.

You need the Revenue + Retention Method, which is a proven framework that works!
